

A guide to our HomeLife pricing

Anglican Care HomeLife is here to help you live independently in your own home for as long as possible.

HomeLife provides personalised support across lifestyle, exercise and wellness, health and nutrition, personal care and help around the home.

Service delivery and pricing

At Anglican Care, your health, comfort and wellbeing matter. As part of Newcastle Anglican, we are local like you, with almost 70 years' experience in aged care.

Our work is led by the people we support. We want to ensure that you feel empowered to make your own decisions about your care needs.

We understand that maintaining a good quality of life is key, which is why our HomeLife services are designed to help you flourish by meeting you where you are. Our team spans multiple disciplines to provide you with high-quality flexible care ranging from supporting basic needs to high-level care.

We are committed to providing evidence-based best-practice quality aged care services, including dementia and palliative care support.

Call our friendly team to see how we can support you.

Assistive technology and home modifications

Assistive technology and home modifications are supports that help you to live at home for longer. This includes products, equipment, and changes to your house. In addition to the cost of these items and related services, administration costs include:

- For assistive technology, the fee is 10% of the cost or \$500 (whichever is lower).
- For home modifications, the fee is 15% of the cost of \$1,500 (whichever is lower).

Care management

Care management is a crucial role expertly delivered by our Care Partners. They will tailor your services as required and provide the support and information you need. Our Care Partners work closely with our team of care staff, allied health, and nursing staff.

Under the Support at Home model, the Australian Government delegates 10% of your service cost to care management.
