

## HomeLife Assist

**Our NEW HomeLife Assist has been designed for seniors that have had an ACAT assessment and are eligible for a home care package but are still waiting in the national queue.**

You can begin to access much needed support immediately. Services such as personal care, meal prep, shopping, cleaning and in home respite. We can offer up to 2 hours of services at a cost of \$70 a week. Once you receive your home care package, we can provide a seamless transfer to a HomeLife Home Care Package. We make it easy with a team you are already familiar and comfortable with and additional access to our care advisors, case management services, clinical and allied health support teams and highly skilled Nurse Practitioner.

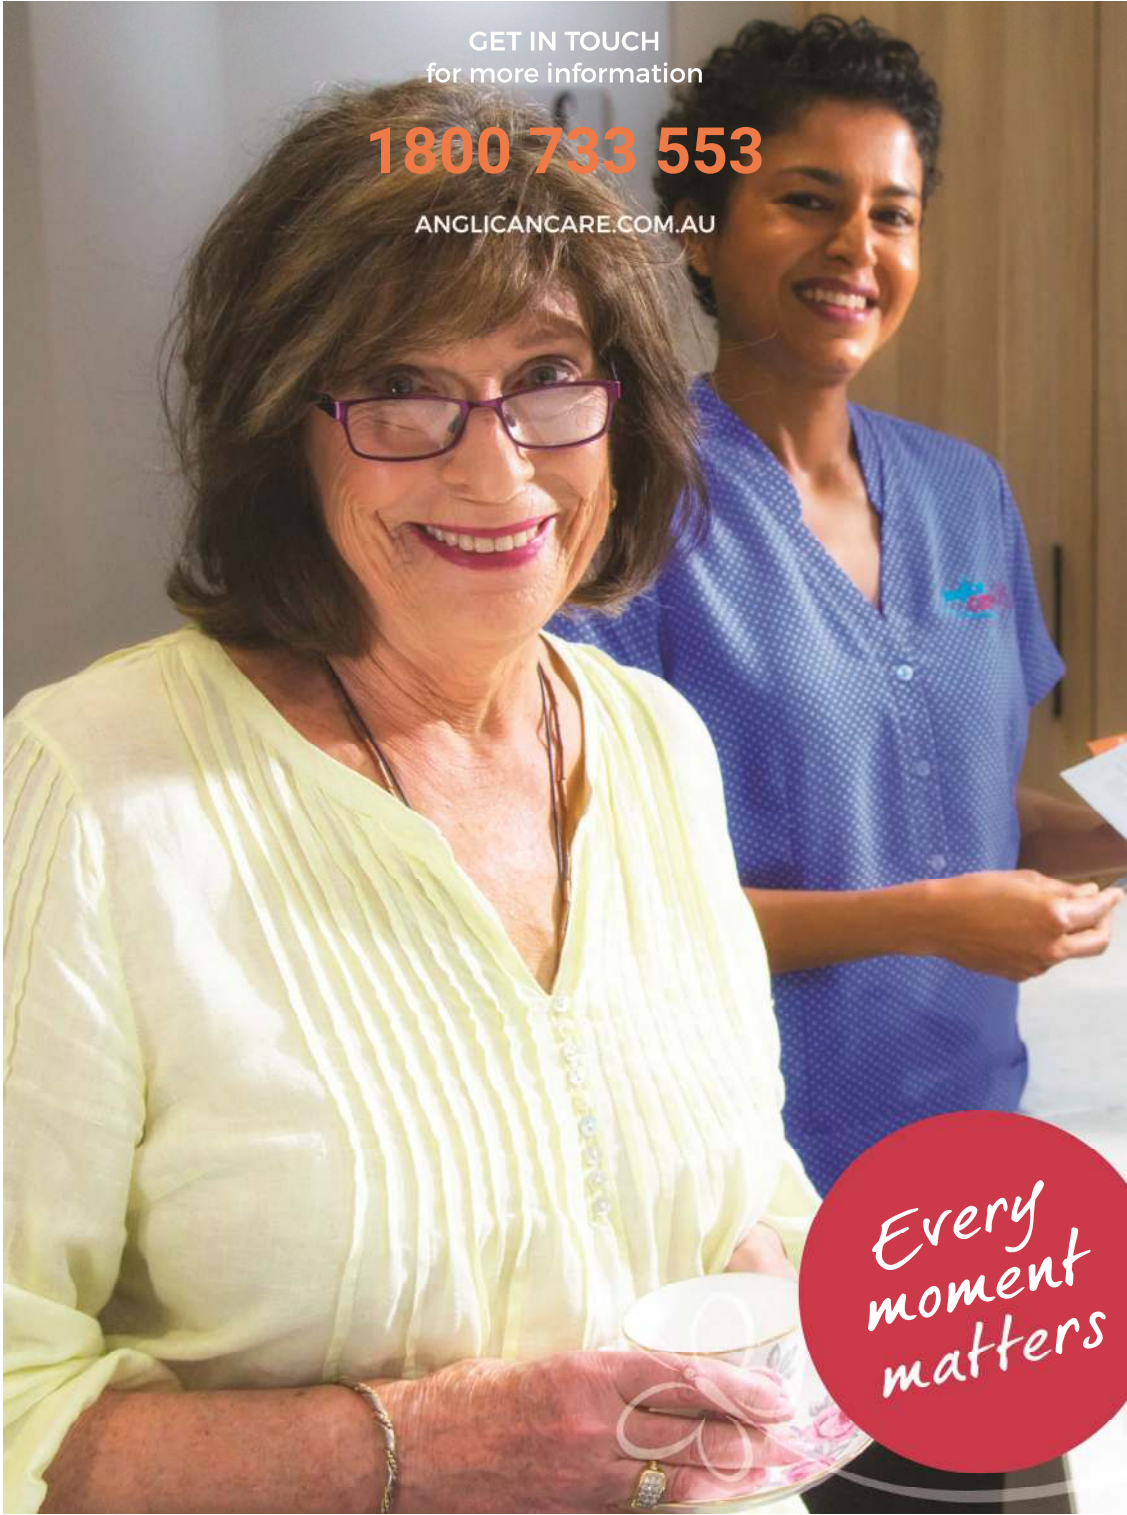

*(this offer is subject to Terms & Conditions)*
