

Kilpatrick Court

Architecturally designed and purpose built, the home has been designed to offer an environment of wellbeing and happiness. Facilitating opportunities for social interaction and time outdoors.

Situated in the peaceful lakeside township of Toronto, close to the main business and retail centre. Residents enjoy views of Lake Macquarie and the mountains. All rooms throughout Kilpatrick Court have access to a number of different communal amenities which enhance the quality of life of residents.

Leading into the home is the spacious main foyer area, located adjacent to a communal Cafe which is available to residents, families and friends. Residents rooms are located on three levels with nursing stations on each of the levels.

There are a number of lovely sitting rooms, dining rooms, lounge and activity areas, providing places where residents can enjoy the company of other residents, family and friends. Many of these communal areas enjoy expansive views of the lake or the mountains. There are also a number of communal balconies throughout the home and an internal courtyard, around which the home has been designed.

At Anglican Care our focus is you and your comfort and that is why our dedicated staff, including our very own Nurse

-----	-----------	-----	---------

Single Premium Room with ensuite

RAD	\$550,000	DAP	\$60.42
-----	-----------	-----	---------

Please note: the prices above are subject to change and shall vary in accordance with the Maximum Permissible Interest Rate (MPIR) as determined by the Department of Social Services on a quarterly basis.

Pricing options

Refundable Accommodation Deposit (RAD)

A lump sum payment made to the aged care home that is fully refunded to you or your estate when you leave the home.

or

Daily Accommodation Payment (DAP)

This payment is not refundable. Some people may prefer to pay for their accommodation based on a daily rate.

or

A combination of RAD and DAP

If you decide to make a combined RAD and DAP payment, the DAP amount will be adjusted based on the lump sum amount paid.

Below is an example of a combined RAD and DAP payment based on a RAD of \$520,000. In this example the resident has \$260,000 available for part payment of the RAD. This means the DAP is worked out on the remaining \$260,000 using an MPIR of 4.01%.

$DAP = 260,000 \times 4.01\% \div 365$

DAP = \$28.56

So instead of paying the full RAD of \$520,000 the resident would pay a part RAD of \$260,000 as well as a DAP of \$28.56.
