Dear Anglican Care Community

Further to the correspondence sent to you yesterday, there have been further new cases of COVID19 in NSW and the list of areas classified as 'hot spots' has increased. Following recommendations from NSW Health, anyone that has recently visited the following areas are not permitted to visit our residential aged care homes:

Local Government Areas: Liverpool, Camden, Campbelltown, Wollindilly, Wingcaribee

Suburbs: Pyrmont, Villawood, Caringbah, Bowral, Merimbula, Murray Downs, Belmore, Parramatta

State: Victoria

Thank you for your understanding and patience as we manage this dynamic and evolving situation. We will continue to communicate with our consumers and families as new information arises.

Kind regards
