

HOME CARE PRICING GUIDE

A guide to our home care package pricing

Our home care services are all about meeting the individual needs of seniors who want to maintain their independence.

SERVICE DELIVERY & PRICING

At Anglican Care, your health, comfort and wellbeing matter. As part of Newcastle Anglican, we are local like you, with more than 60 years experience in aged care.

We place people at the centre of our work. We have highly trained and highly skilled staff who are motivated by genuine compassion. Our reputation for providing high-quality care is thanks to our people. We understand that maintaining a good quality of life is key to seniors staying happy and healthy at home, which is why our Home Care services focus on you as an individual. Our aim is to help you flourish, and we have a greater choice of services and support when you need it.

We can support you with basic needs through to high-level care, provided by our highly skilled nurses, allied health professionals and care staff. We maintain a strong commitment to providing evidence-based best-practice quality aged care services, including dementia and palliative care support.

Call our friendly team to see how we can support you.

CARE MANAGEMENT

Let us optimise your package to help you stay happy, healthy, and independent at home, with the support of our care management services.

Care management is a crucial role expertly delivered by our Case Managers. Our case management team will partner with you to identify your needs. They will adapt your services as required, and provide the support and information you need. We believe care management should be delivered within an integrated model. Our case managers work closely with our team of care staff, allied health, and nursing staff. We like to think of it as a circle of support with you at the centre.

What sets us apart from other providers is our provision of access to telehealth, respite, day therapy centres, lifestyle, and wellbeing programs, as well as dementia, palliative and advanced clinical care.

CARE MANAGEMENT	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
